CANDY CANE

A white banner with a black border and a slight 3D effect is centered in the upper half of the image. It features the word "HUNT!" in a bold, pink, sans-serif font. The banner is flanked by two large candy canes that appear to be holding it. Numerous other candy canes are scattered around the banner and the rest of the page. All candy canes have a red and white striped pattern and a black outline. They are in various orientations, some standing upright, some lying down, and some curved.

HUNT!
